If you do not agree with any of the statements above, this does not prevent you from buying a funeral plan from us today. However, if you are unsure of anything, please call us on 0808 304 3995.

Section 3 – What are these Terms and Conditions for?

These terms and conditions apply to funeral plans purchased from us from 1st June 2025.

They apply to you the Customer, who may not always be the person for whom the cremation is for.

Their purpose is to define the obligations we have for the management and fulfilment of the funeral plan product you have purchased, and the obligation you hold as owner of the funeral plan in place.

We do not give advice, but will give you the information you need, to make your own choice.

Section 4 - Our terms

4.1 Who can take out a plan?

The Plan is available to Customers who are aged 18 or over at the date of Application. The funeral covered by the Plan must be conducted in mainland Great Britain.

4.2 Our pricing

Our current pricing can be found on the Funeral Plan Summary and Independent Funeral Director Pricing which is visible before a plan is purchased.

The Direct Cremation Plan and Funeral Service Plan are nationally priced plans. The Funeral Service Plus Plan is regionally priced and builds on top of the price of a 60-minute Funeral Service Plan, using the Independent Funeral Director's pricing list for the additional guaranteed services included.

4.3 Payment for the plan

You can choose to pay for your plan in one single payment or spread the cost over a term up to 12 months.

If you pay for your plan over a term up to 12 months, you can settle the balance of your plan early. Please call us to do this.

The exact cost of your chosen Plan (taking account of any deposits received) is documented in your Funeral Plan Schedule that we will send to you after processing your Application for the Plan.

As the Customer, you are the owner of the plan, and the rights and benefits set out in the Agreement accrue to you and you are responsible for making payments to us in accordance with the Agreement.

If you have named a different person as the Covered Individual on the Application, the rights and benefits set out in the Agreement will nevertheless accrue to you and not to the Covered Individual.

Once you have fully paid the amounts set out in the Plan, we will cover the relevant goods and services due under the Plan at no further charge to you or the Nominated Representative.

Where we provide a contribution towards a service, at plan redemption, as long as payments are up to date, we will pay no less than that contribution payment to the Independent Funeral Director.

The Funeral Plan Summary, sent to you after we have accepted your plan purchase, will list what is and isn't included in the plan.

4.4 How we care for your money

Money for the plan and any additional services you may add to it, is paid directly into the Trust. The Trust is completely separate and legally independent from Distinct Funeral Plans Limited. The funds for the funeral are only paid out from the trust after the funeral has taken place.

We are required to arrange and publish a Solvency Assessment Report on the Trust's performance at least once every 12 months. You can request a copy of the latest report at any time.

4.5 What happens if a payment is missed?

Should you miss two consecutive instalment payments over the payment term, we have the right to cancel your plan if payments are not brought up to date in a timely manner.

We will contact you after each missed payment to ask you to bring the payments up to date.

If we cancel your plan for missed instalment payments, we will refund to you any money paid to date less a cancellation fee of £275. We will be under no further obligation to provide the services set out in the Funeral Plan Summary. Once a plan is cancelled it cannot be restarted.

4.6 What happens if the Covered Individual passes away before all payments have been completed?

We will provide the service in accordance with the Agreement. However, you (if you are not also the Covered Individual) or the Nominated Representative will be responsible for paying the outstanding instalments due. The outstanding instalments must be paid in full before the funeral can take place.

4.7 Independent Funeral Director

The funeral services included in the plan you have purchased will usually be carried out by an Independent Funeral Director appointed by us. Those Independent Funeral Directors may have introduced and promoted our plans to you as part of an introducer appointed representative or appointed representative arrangement.

We will notify you within 30 days of plan purchase, which Independent Funeral Director has been allocated to fulfil the plan's services.

If at any point, the allocated Independent Funeral Director is no longer trading, we will allocate the plan to another Independent Funeral Director within our network, at no further charge to you.

If at plan redemption, you or your Nominated Representative want to use a different Independent Funeral Director to that we have allocated, we will make contact to see if they will perform the services within the plan, for the fees set. If they do not agree, the plan will be cancelled and money returned, minus a cancellation fee of £275. It is then, you or your Nominated Representative's responsibility to arrange a funeral.

Please note that we do not pay any commission or any other remuneration to the Independent Funeral Director for the introduction and promotion of the plans. We pay the Independent Funeral Director only if they have been appointed by us to provide funeral services.

4.8 Cremation or burial

A Direct Cremation Plan provides for a cremation only; a burial cannot be chosen. Where a Westerleigh Group crematorium is used, the cost of a cremation is guaranteed. Where a non Westerleigh Group crematorium is used, we will pay a contribution to the Independent Funeral Director to help cover the cost.

A Funeral Service Plan provides for either a cremation or burial funeral. Where a Westerleigh Group crematorium is used, the cost of a cremation is guaranteed. Where a non Westerleigh crematorium is selected or you opt for a burial, we will pay a contribution to the Independent Funeral Director to help cover the cost.

If a burial is selected, the contribution within the plan cannot be used for purchasing a plot. The contribution must be used for services the Independent Funeral Director would usually manage on your behalf, such as paying a cemetery for the opening and closing of an existing grave.

If you intend to use a non Westerleigh crematorium or cemetery and would like a 30-minute service, you should first check that your preferred venue offers this.

The Funeral Plan Schedule will detail the value of any contribution we make in the plan. Any additional costs incurred will need to be paid by you or your Nominated Representative to the Independent Funeral Director. If the contribution exceeds the cost of the service, you or your Nominated Representative can use that money for other additional services provided by the Independent Funeral Director or a refund can be requested of the difference.

4.9 Adding additional services

Money can be paid by you for additional services you may wish to include from the Independent Funeral Director's price list. Any money you pay, as part of the plan, will be held alongside the funeral plan funds in the trust and paid out when the funeral is required.

There are some additional services that you can pay for, that are guaranteed for the price paid, and there are some that form a contribution towards the future cost only. If you would like to add additional services to your plan, we will confirm whether that service chosen is guaranteed for the price paid.

No additional services can be added to a plan if it changes the premise of the plan. For example, a limousine cannot be added to a Direct Cremation Plan.

If any additional services are requested by you or your Nominated Representative, at point of plan redemption, that are not included in the Plan that has been purchased, the Independent Funeral Director will speak directly with you or your Nominated Representative to agree the costs. Costs for these additional services must be paid directly to the Independent Funeral Director to arrange the execution of those additional services. We are not responsible or liable for any extra services or costs outside of what is included in your Plan.

4.10 Making a one-off contribution towards specific wishes

You can add extra money to your plan and we will keep this safe in our independent trust fund. This extra money can be used for services not listed on the Independent Funeral Director's price list, such as a memorial. We will note, as a specific wish in the plan, what you would like the contribution to be used towards. By adding extra money to your plan, you are contributing only towards the future cost of that specific wish. Any contribution made must be paid in a one-off payment and can be made at plan purchase or at any time after.

4.11 Change of Address

You must notify us at the address shown at the end of this document of any permanent change of address for you and the Covered Individual (if this is not also you).

If you move to an area that the allocated Independent Funeral Director does not serve, we will aim to reallocate your plan to another Independent Funeral Director in our network, and this may come with an additional charge based on the new Independent Funeral Director pricing list. If we are unable to allocate a different Independent Funeral Director, or you do not agree to any pricing changes, the plan will be cancelled and any money due returned.

4.12 How to cancel a plan

You can cancel your Plan at any time. Only you can request to cancel the plan, unless the plan is being cancelled in the event of it being discovered after your death.

If you decide to cancel, and we receive that request within 30 days of us accepting your plan purchase (our cooling off period), we will refund all the money you have paid and will do this within 28 days of us receiving notification of cancellation.

If we receive that request more than 30 days after we have accepted your plan purchase, we will refund all the money you have paid minus a fee of £275 and will do this within 28 days of us receiving notification of cancellation.

If the plan is found after your death or the death of the Covered Individual and a request for cancellation is received by us, we will request a copy of your death certificate and ask the person calling to complete an Indemnity Form. If this cancellation is within the above-mentioned cooling off period, we will refund all the money you have paid to your estate. If this is outside of the above-mentioned cooling off period, we will refund all the money you have paid minus a fee of £275.

Once a plan is cancelled it cannot be restarted, and we will be under no further obligation to provide the benefits set out in the Funeral Plan Summary.

The plan is designed to cover funeral costs and is not an investment product, and we will not pay interest on money refunded.

If you wish to cancel your Plan, you can write to us, email us or telephone us:

4.13 VAT and legislative changes

If there are some charges that we may in the future find ourselves having to cover for things such as VAT or costs passed to us due to changes in the law, tax rules or legislation that affects the way cremations are carried out, then we may have to pass these on to you (if you are not also the Covered Individual) or Nominated Representative, at the time of the cremation.

4.14 Disclosure of fees

We are committed to being open and honest about how we use the money you pay for your plan. Your money is distributed as follows:

		Funeral Service Plan		
	Direct Cremation Plan	30-minute service	60-minute service	60-minute service plus
Total Funeral Plan Cost	£1,899	£2,399	£2,999	From £3,800
Total cost to acquire and manage your Funeral Plan	£275	£275	£275	£275

This includes costs for managing the plan over the customer's life (average 12 years), our marketing and advertising costs and to make a small amount of profit.

How much do we pay into the Distinct Funeral Plan Trust?	£1,624	£2,212	£2,724	From £3,525
--	--------	--------	--------	----------------

This includes the amount we set aside to perform the cremation funeral, and to pay trust fund administration costs and maintain our regulatory solvency requirements.

A more detailed breakdown of these costs can be provided upon request.

4.15 Repatriation

The Plan does not cover the costs of Repatriation.

4.16 Transferring a plan

If your circumstances change, or the plan is found after the death of the Covered Individual, we may agree to transfer the services within the plan to a different Covered Individual. Please call us to discuss the options available.

You can move ownership of the plan to a different person at any time by removing yourself as Customer and allocating someone new to own the plan. This new person would have to agree to the obligations they hold as Customer on the plan, in accordance with this Agreement. You cannot remove yourself as Customer and leave the plan without an owner.

4.17 Allocating two Covered Individuals

You may request that two Covered Individuals are added to one plan. When the plan is redeemed upon the passing of one Covered Individual, the plan will end. Another plan can be purchased to cover the second Covered Individual's funeral.

4.18 How to claim on the plan when the Covered Individual dies

You should provide us with the name of the person you would like to handle the Covered Individual's funeral arrangements. If you have purchased a plan for someone else and are not also the Covered Individual, you may nominate yourself to be the Nominated Representative. If at the point of purchase, you do not add a Nominated Representative, you can call us at any time to add a named person.

When the cremation is required, the Nominated Representative can visit or call the Independent Funeral Director allocated to perform the plan's services. We can also be contacted, at any time, 24 hours a day on 0808 304 3995.

We will inform the Nominated Representative if there are any outstanding payments due on the plan at the time the cremation is required.

4.19 How to make a complaint
